

OAKMONT HIGH SCHOOL BOYS BASKETBALL SPONSORSHIP OPPORTUNITIES 2015-2016

BECOME AN OAKMONT BOYS BASKETBALL SPONSOR WITH GYM BANNER, PROGRAM ADVERTISEMENT, OR OTHER SPONSORSHIP OPPORTUNITIES

As the 2015-2016 season approaches the new coaching staff and Booster Club for the Oakmont Boys Basketball program seeks to provide a first class experience for all those who meet the academic, behavioral, and athletic requirements to represent our school as a member of the Boys Basketball team. To do that our program needs to purchase uniforms and equipment, pay entry fees for tournaments, and cover all the associated costs with running a basketball program for approximately 50 players and coaches each year. To help us with these expenses we are seeking local businesses that would like to sponsor our program through a tax deductible donation.

By becoming a sponsor of Oakmont Boys Basketball your advertisement can reach thousands of people as it hangs in the gym for all the rallies, matches, games, and events that Oakmont hosts. If you choose to do a program advertisement your business will be promoted throughout the year as your ad is distributed throughout the year at all the various events Oakmont Boys Basketball hosts. In addition all sponsors will be recognized with a logo image on our program's web page that our families and outside groups access all through the year for information on our camps and activities. As stated above all sponsorships are tax deductible as we are a registered non-profit organization.

This is a great way to promote your business and support a school and program in your local community. We hope you will consider supporting us as we launch a new chapter in Oakmont Basketball and in the community as a whole. The back side of this sheet has a listing of all the available sponsorship opportunities and costs at this time. Thank you for your time and consideration in sponsoring our program, school, and community. Please feel free to contact us with any questions you may have.

Sincerely,

John Hunter
